

CHARLYNE'S POUND PUPPIES

PO Box 772, Thorndale, TX 76577-2522

(512) 832-4101

www.poundpups.org

DOB:

DL:

This animal has been abandoned, lost, neglected or picked up for running loose. The animal is available for adoption because we were unable to locate the owner. All animals are given a health check, spayed or neutered, and shots unless they are too young. You will be provided with a health record of any animal you adopt. All fees help defray the costs of shots and neutering/spaying.

Animal's Name: _____ approximate birthdate _____

Cat ___ dog ___ sex ___ breed/description _____ coloring _____

Neutered/spayed _____ shots (date) _____ rabies tag# _____ clinic _____

ADOPTION QUESTIONNAIRE

This questionnaire will be used to determine if your home environment meets the needs of the animal you wish to adopt. Charlyne's Pound Puppies reserves the right to deny any adoption. We do not discriminate based upon race, sex, creed, religious preference or origin.

Name _____

Who is your veterinarian? _____

Have you ever taken an animal to an animal shelter? _____ If yes, why? _____

Would you object to a home visit by one of our representatives? _____

ADOPTION AGREEMENT

If approved for adoption of the pet, I agree to the following:

- To provide proper and sufficient food, water and shelter at all times
- To provide loving, humane treatment from me and all family/household members.
- To never leave a pet unattended in a closed vehicle when it's hot, or even warm, outside. If it's too hot for you to be shut up in the car without air conditioning, it's too hot for your pet!
- Not to allow the dog/cat to be bred. If dog/cat has not been neutered/spayed, I agree to have it neutered/spayed as soon as the animal is old enough (generally 6 months old).
- Not to dock tails and/or ears
- To provide veterinary care, including but not limited to, keeping all vaccinations current and maintaining all dogs on heartworm preventative.
- To keep unsupervised/unleashed dogs fenced or inside at all times (not routinely chained or tethered).
- If dogs must be transported in the bed of a truck, they will be protected by being placed in an animal carrier.
- To provide dogs with rabies tag secured to collar or harness, to be worn at all times.

I CERTIFY THAT THE ABOVE INFORMATION IS TRUE AND UNDERSTAND THAT FALSE INFORMATION WILL NULLIFY THIS ADOPTION. I UNDERSTAND THAT ADOPTION FEES CANNOT BE REFUNDED.
